A SUBSTANTIAL REPUBLICAN AND SOUND MONEY MAJORITY IN THE HOUSE OF REPRESEN-TATIVES-THE SITUATION IN THE .

UPPER BRANCH OF CON-GRESS ANALYZED.

Late returns from the States beyond the Mississippi, indicating the capture by the Bryan and Fusion forces of one or two additional seats in the United States Senate, threaten to limit the Republican and sound-money strength in the upper branch of Congress after March 4 next to a bare quorum. The Legislatures in Washington, Kansas and Missouri are now conceded to show working Popocratic pluralities, while the political complexion of the South Dakota Legislature is still doubtful. California and North Dakota will return Republican Senators. Delaware's Legislature is admitted to be Democratic, which means that a Democratic Senator will be sent to Washington to press a claim to the seat vacated by Anthony Higgins on March 4, 1895. In North Carolina it is not yet apparent what forces will control the next Legislature, but it is more than likely that the Republican-Populist fusion on legislative candidates has been successful, and that Mr. Pritchard or some other Republican will be chosen as Chairman Marion Butler's colleague.

Though the Republican side in the Senate has received a material reinforcement as a result of Tuesday's elections, its strength had been so reduced by the desertion silver or nothing contingent from the mining States that it can scarcely hope to do more than make up its losses of last June, and reassert a party control of the Senate with the aid of the Vice-President's vote. Unless further losses are reported from the States still in doubt, the Republican party vote in the Senate after March 4 will probably be fortyfive-one short of a self-registering majority. The opposition forces are likely to be split up into four factions-Sound Money Democrats, Silver Democrats, Silver Senators pure and simple, and Populists. The latest returns indicate that there will be thirty Silver Democrats in the chamber, four Sound Money Democrats, five Silver Senators and six Populists. If South Dakota and North Carolina are carried by the Popocratic legislative ticket, one Silver Democrat and one Populist will be added to the opposition, which will then be an actual majority. Six of the Senators classed as Republicans-Shoup, of Idaho; Wolcott, of Colorado; Carter, of Montana; Mitchell, of Oregon, and Carter, of Montana; Mitchell, of Orego hereto-Clark and Warren, of Wyoming—have hereto-Clark and Warren, of Wyoming—have hereto-SOUTH CAROLINA. fore voted for free silver coinage measures, while fore voted for free silver coinage measures, while the four Senators classed as sound-money men, south Dakota. as well as five Bryan Democrats-Messrs. Utah, Vermont, Washington and Wisconsin. Republican Senators have succeeded themselves already in Iowa and Vermont, and two additional reats have been gained in Ohio and Maryland by the choice of J. B. Foraker and George L. Wellington to succeed Calvin S. Brice and C. H. Democratic Senators have also been chosen in Mississippi and Louisiana to succeed Democrats, In Kentucky the present Legislature, which is to choose a successor to J. C. S. Blackburn, has now a Republican majority of two, and apparent that the present Republican repre- that the Republicans would poll their full senation will be maintained-California, Conecticut, New-Hampshire, North Dakota, Pennsylvania and Oregon. Democrats will succeed Democrats in these six States: Alabama, Arkansas, Florida, Georgia, Missouri and South Carolina. Populist Senators will probably be returned from Nevada and Kausas.

In New-York, Indiana, Illinois and Wisconsin four Republicans will replace Messrs. Hill, Voorhees, Palmer and Vilas. In Washington a silver Senator, Squire, will be succeeded by a Democrat. Colorado will return Senator Teller, and another silver man will replace Brown, a straight Republican, in Utah, Dubois, a silver Senator, will probably be dispossessed in Idaho in favor of a Populist.

The Democratic side will gain a seat in Delaware-the one from which Colonel Dupont was excluded last spring by a close vote in the Senate. If South Dakota's Legislature is Republican the Populists will lose the seat which Mr. Kyle now holds. North Carolina will probably return a Republican in the person of Pritchard, the sitting Senator. As a result of Tuesday's election, therefore, the Republican side has made a net gain of six seats, which, considering the unusual conditions prevailing in many Western States, is an achievement of the most creditable and sub-

In these six States it is now a revision of the tariff it is reasonable to assume took the first step to recover the control of the apparent that the present Republican represent that the Republicans would poll their full name and organization of the old Democratic party, or to organize a new party under the old name, last night. They talked about it between mittee, and John P. Frenzel, their treasurer, came back here from Indianapolis, as soon as they had voted, to have a hand in the work. At 9 o'clock an informal meeting was held in the room of Chairman Bynum, at which it was practically decided to begin at once a plan of reorganization. Those to begin at once a plan of regarding the present at the meeting were Benjamin T. Cable, James H. Eckels, John P. Hopkins, Secretary Spangler, Mr. Bynum and Mr. Frenzel. While the meeting was informal, it was hedged around with the deepest secrecy after it was nedged around with communicative man of those present was Secretary

> There has been talk of reorganization, and there will be more to-morrow, but nothing has been decided upon yet. There will be a meeting of the Executive Committee, and out of that I think it likely another meeting will grow. Without any bragging. I think the Sound Money Democrats can claim that they elected McKinley. That vote, too, will stand in judgment upon McKinley, and will be prepared to sweep the country in 1900 un-less McKinley's administration of the Government closely follows the lines laid out in the Demo-cratic platform.

> "There is but one Democratle party. The platform of the Indianapolis convention contained the essence of Democracy, and on those lines the party will be rehabilitated and make its fight in the future. In many States a good organization has already been perfected by National Democratic Executive and Campaign committees, and at once, in my judgment, a complete organization in every State from Maine to Texas should should be made. The National Committee, I believe, will proceed in this direction at the earliest convenient moment, an the two cardinal principles of true Democratic faith—tariff for revenue only and sound money—will again be the battle cry of a true Democracy, which will, four years from now, place a Democrat in the White House in Washington."

PORTER, GRIFFIN AND FLOWER TALK.

THE FIRST RESIGNED TO HIS FATE AND THE OTHER TWO HAPPY.

Watertown, N. Y., Nov. 4.-Daniel G. Griffin, the National Democratic candidate for Governor, feels elated over McKinley's election. Mr. Griffin received only 7 votes in his own district, 168 in the city and 204 in the county, while Porter got 1.834 in the city and 6,670 in the county. Mr. Griffin told The Tribune correspondent that he had nothing to say that would increase the humiliation and regret of the sliver Democrats, and added: "The National Democratic party will not retrograde.

It is the champion to-day of a sound currency, a tariff for revenue only and economy in public expenditures. McKinley has promised to increase in-dividual prosperity by increasing taxation. That promise has often been made before, but never ful-filled. A majority of the people will turn to the National Democratic party for the very safety of its principles and to manifest the reaction against four years of unredeemed promises and wanton extrava-

gance.

Ex-Governor Flower is happy over the result. Ho said: "The conservative and patriotic sentiment of the country has been aroused in this campaign more than at any time since 1861, and the patriotic men who understood the danger lurking in the Chicago platform have railled in defence of honest money, untarnished honor and the perpetuity of this Resubble."

wilbur F. Porter, the defeated Popocratic candidate for Governor, came to his office this afternoon for the first time since his illness. He said that so far as he was concerned he was satisfied with the result, and that he went down to defeat without conclusing. WEST POINT CADETS FOR M'KINLEY.

West Point, N. Y., Nov. 4.—For the first time in the history of the Military Academy, the cadets held an election here yesterday, expressive of their preferences for President, with the following result: McKinley, 196; Bryan, 116.

BISHOP NEWMAN REJOICES. Saratoga, Nov. 4 (Special).—Bishop John P. Newman to-day sent the following to both McKinley and Hobart: "God has saved our Nation again. The American people have been loyal to Him, and you will be true to your country."

HOW THIS STATE VOTED.

M'KINLEY'S PLURALITY CLIMBS UP TO 272,000.

SOUND MONEY DEMOCRATS WHO VOTED FOR M'KINLEY, BUT NOT FOR BLACK, PULLED

THE LATTER'S PLURALITY DOWN TO

The latest election returns indicate that Mc-Kinley and Hobart have a plurality in this State of 272,000 votes, an increase over yesterday's estimate of 16,000. On the other hand, the plurality for Mr. Black, the Republican candidate for Governor, has decreased, and now amounts to about 210,000 votes. But this is the largest plurality ever received by a candidate for Governor in this State, surpassing even Mr. Cleveland's remarkable plurality of 192,000 votes in 1882. One of the causes of Mr. Black's loss of votes was the desire of the Sound Money Democrats to manifest their strength. With few exceptions these Democrats, after voting for Mc-Kinley, to all appearances, cast their votes for Daniel G. Griffin, their own candidate for Governor. The influence of Senator Edward Murphy, jr., of Troy, was also specially directed, through the Democratic State Committee,

against Mr. Black. The Legislature will have such a large Republican majority on foint ballot, 102 votes, that there can be no question that a Republican will be elected as a United States Senator to succeed David B. Hill when he retires from office on March 4, 1897. The new Assembly will have as its members 115 Republicans and 35 Democrats. The State Senate now contains 36 Republicans

CONGRESS BY A HEAVY VOTE. There has been great difficulty this year in getting complete election returns from the several towns of the county. County Clerk Leverett F. Crumb all day Wednesday was receiving the sealed returns from the several election districts, and in most instances they were accompanied by a duplicate sheet giving the result as contained in e packages, which are not to be opened, according to the present Election law, until the Board of ounty Canvassers meets next Tuesday. It will probably take two or three days to tabulate the

The latest estimates give the following as the result, in majorities, of Tuesday's election in the county: McKiniey, 7,000, Black, 5,500; W. L. Ward, Congress, 6,000; F. M. Carpenter, County Treasurer, 4,000; Alfred E. Smith, 1st Assembly District, urer, 4,000; Alfred E. Smith, Ist Assembly District, 1,560; Richard S. Emmet, Jr., IId Assembly District, 1,560; James W. Husted, IIId Assembly District, 2,060. It is evident that the entire Republican ticket in the county was elected, the only question being that of majorities.

FAIRCHILD BEATEN AT HOME. HE RECEIVED 30 VOTES IN MOUNT VERNON AND HAD 100 LESS THAN WARD IN PELHAM.

The majorities in Mount Vernon far surpassed the estimates of the most sanguine Republican enthusi-asts. Some of them had fondly dreamed of 1,000 for McKinley, but most all would have felt satisfied with 800 from a city which last spring elected a Democratic Mayor by 500 plurality. The results are astounding. McKinley's majority was 1,313, Black's astounding. McKinley's majority was 1,313, Black's 1,195, Ward's, for Congress, 1,213, Smith's, for Assembly, 1,062, Carpenter's, for County Treasurer, 572, Miles's 1,229, and Banning's 1,309. Ben L. Fairchild, the dissenting candidate for Congress, received 30 votes in the city, and in Pelham, where he lives, he was beaten by more than 100.

MR. BELDEN'S VICTORY. ELEMENTS WHICH FAVORED THE M'KINLEY

LEAGUE CANDIDATE IN THE XXVIITH. Syracuse, N. Y., Nov. 4 (Special).-James J. Belden, Independent Republican, had remarkable suc-cess in his canvass as candidate for Congress, Nominated by the McKinley League, his nomina-tion was then indorsed by the Democrats, as they 1. "to make mischief" among the Republicans. Belden accepted the Democratic indorsement, but took pains to state in his letter of acceptance addressed to the Democrats that his principles were those of the Republican party. His candilacy was that of a gold-standard Republican. The Democrats, who had indorsed him, thus were in the awkward position of supporting a silver Demo-crat for President and a gold-standard Repub-

Mr. Belden had great personal strength among Republican and Democratic veteran soldiers of the Congress district in consequence of the constant attention he gave while he was a mem-ber of Congress a few years ago to claims for

pensions which were sent to him. It is probable that 1,500 veterans voted for him on this account. As Mayor of Syracuse, also, he had been an efficient executive and gained hundreds of friends. His canvass was skillfully conducted by ex-Assemblyman Charles H. Duell.

The Congress district in which Mr. Belden ran is composed of the counties of Madison and Onondaga. In both counties Mr. Belden had a plurality over his Republican opponent, Theodore L. Poole, the candidate of the Hendricks faction. The vote in the two counties was as follows:

43, at One-hundred-and-twenty-ninth-st, and Amsterdam-ave,, after school had been dismissed retred to the vacant lot, and started a game of football. While the game was in progress Willie McGowan kept annoying Frees by throwing sand at him. Frees, who is a hot-tempered boy, resented this, and a lively fight followed. Frees, seeing that ne was getting the worst of it, drew a jackknife, such as many schoolboys carry, and plunged it into the other boy's left breast, about naif an inch below the heart.

Willie fell, and the other boys, when they realized what Frees had done, fied. Eddie McGowan, who is twelve years old, and a brother of Willie, ran to the Manhattan Hospital, and breathlessly gasped out to Dr. Lewall, the surgeon in charge, what had happened. The doctor at once hastened across the street, and with the assistance of some men carried Willie to the hospital. Every effort was made to save the boy's life, but he died fifteen minutes after being brought to the hospital.

Frees, hadly scared at what he had done, had hastened home in the mean time and told his mother, who is a widow in fair circumstances, what he had done. She at once dressed, and, taking the boy with her, boarded an Amsterdam-ave, car going south. According to the neighbors, she took her son downtown to some relatives, intending to hide him from the police.

The boy had not been arrested at a late hour last night, although a roundsman and two policemen were searching for him.

POPULISTS LOATH TO GIVE UP. CHAIRMAN FAULKNER LIKEWISE SEEKING TO

Washington, Nov. 4.-Populist headquarters was quiet to-night, but a number of hopeful followers of Mr. Bryan were there, and declined to give up the fight. A statement was given out to the effect that Mr. Bryan had carried every Southern State except West Virginia, Maryland and possibly Kentucky, but it was thought the latter State would swing into line. Bryan, it was said, had carried every State west of the Missouri River except California, Oregon and North Dakota, all of which, it was claimed, would probably go for of which, it was claimed, would probably go for him on later returns. Indiana and Minnesota were in doubt, and if they went for Bryan it would elect him.
